

### 3 WINS IN A SERIES OF SUCCESSES FOR RACING SILVERLINE

For immediate release 30th August 2009

A fantastic set of results for the Racing Silverline squad in this weekend's HiQ MSA British Touring Car Championship round at Silverstone saw the RML-run cars take their first ever 1-2-3 in the first race. And there was still yet more to celebrate in the remaining two.

Having achieved his first pole position of the year with Racing Silverline ahead of today's race one, Mat's dominant weekend continued, appearing on the podium no less than three times, taking a 1<sup>st</sup> in race one, a third in race two and another 1<sup>st</sup> in race three. He would also set a fastest lap during the final race. Mat has now leapt up to 5<sup>th</sup> place in the championship standings, with a total of 137 points, just 16 short of 4<sup>th</sup> placed-man, Matt Neal.

A collection of other achievements throughout the weekend would follow for the Racing Silverline team who took three out of three race wins. And for Jason, along with marking his 300<sup>th</sup> BTCC start in race 3, he took fastest lap honours and bagged himself some vital championship points thanks to a well deserved race two win. That takes his total to 190, 31 shy from 2<sup>nd</sup> placed-man Giovanardi.

**Race 1 results:**  
 1<sup>st</sup> Mat  
 2<sup>nd</sup> Jason

**Race 2 :**  
 1<sup>st</sup> Jason  
 3<sup>rd</sup> Mat

**Race 3 :**  
 1<sup>st</sup> Mat  
 7<sup>th</sup> Jason

#### Notes to Editors: Silverline Tools

Silverline Tools is probably the fastest growing supplier of top quality hand and power tools to wholesalers, merchants and retailers in the UK. Established in 1978 and now based in Yeovil at a new purpose built office and warehouse complex the company carries huge stocks enabling it to supply ex-stock and offer next day delivery. The company's product range is constantly being reviewed, tested and extended to meet the needs of today's tool buyers, and their customers.

More information on Silverline Tools is available at [www.silverlinetools.com](http://www.silverlinetools.com).

## Notes to Editors: RML

The RML Group comprises six divisions; Motorsport, Automotive, Engines, Historic, Events and X-Pro. Based in Northamptonshire, England the company's 4,300 square metre facility includes design, development, manufacturing and operational support for international race/rally programmes and automotive engineering projects including performance engine development.

Since its formation in 1984 RML has achieved success in a diverse range of motorsport categories including GT/sportscars, touring cars, rally cars, single seaters and oval speedway cars. In 2009 RML teams will compete in the FIA World Touring Car Championship with the new Chevrolet Cruze, the Le Mans 24 Hours and the Le Mans Series with the Mazda Lola Coupe.

RML work together with a number of specialist official suppliers and technical partners including Autoglym - [www.autoglym.co.uk](http://www.autoglym.co.uk) and Beissbarth UK - [www.beissbarth.co.uk](http://www.beissbarth.co.uk). RML also support Spinal Research as their chosen charity – [www.spinal-research.org](http://www.spinal-research.org).
