

Tomorrow's Technology for Success Today

CSW: The Winning Technology would like to invite companies, particularly SMEs, to their forthcoming event, '**Tomorrow's Technology for Success Today**', which will be taking place at the Warwick Digital Lab on **Wednesday 15th October 2008** at 5:30pm.

This exclusive networking event will once again bring together industry across the medical, motorsport, automotive, aerospace and ICT sectors.

The event will commence with a drinks reception and exhibition, followed by presentations from Dr. Mark Swift of the Warwick Digital Lab and Guy Smallman of the Health, Design and Technology Institute (additional presentations TBC).

For more information about the event, details about exhibiting, or to book your place, please contact Gus Bhandal on 01926 412823 or email winningtechnology@warwickshire.gov.uk.
