

The Low Carbon and Fuel Cell Technology Knowledge Transfer Network (LCFC KTN),  
in association with the London Hydrogen Partnership and Cenex, invite you to the

# Hydrogen & Fuel Cells Transport Conference

18 March 2009, 9.30am to 5.00pm  
London's Living Room, City Hall, London

Organised by LCFC KTN

Supported by

Hosted by

**LONDON HYDROGEN PARTNERSHIP**

The event aims to update those within the transport sector and potential end users, on the latest developments in Hydrogen Fuel Cell Technology and accelerate the development and delivery of their applications into the vehicle pool.

The event will be of interest to both public and private sector managers with responsibility for reducing transport emissions:

- Fleet Managers
- Finance and Procurement Managers
- Chief Executives

The conference will also exhibit the very latest examples of hydrogen and fuel cell powered vehicles for you to explore.

To register for your place at the event please email **[jonathanbutler@fuelcelltoday.com](mailto:jonathanbutler@fuelcelltoday.com)** or **[lynda.grice@cenex.co.uk](mailto:lynda.grice@cenex.co.uk)**

We look forward to welcoming you to the event.
