

UK AEROSPACE - SPANNING THE GLOBE

# FARNBOROUGH INTERNATIONAL AIRSHOW

19 – 25 JULY 2010

SAVE THE DATE

Held biennially, Farnborough is the world's largest and most international aerospace event. Farnborough attracts global civil and military aerospace suppliers and their customers and facilitates orders worth billions of pounds.

UK Trade & Investment (UKTI) will have a major presence at Farnborough, welcoming civil aerospace delegations from many markets including China, India, Russia and South Korea. The UKTI stand at Farnborough (Hall 1) will host a programme of international business networking events and meetings.

Through our programme of events, UKTI will facilitate access for UK aerospace companies to key business opportunities and market information.
