

3rd European Cleaner Racing Conference at Autosport International

Winning Real Value from
Energy Efficiency in Motorsport

NEC, Birmingham
Wednesday 7 January 2009

Speaker Biographies

Jamie Turner – Lotus Engineering

James Turner is a Senior Technical Specialist at Lotus Engineering and is the Chief Engineer of their Powertrain Research Group. This is a role he has held since February, 2002.

His areas of specialisation are combustion and pressure charging, and he is currently involved in direct injection combustion research, alcohol-burning engines and long-term alternative fuel strategies.

He obtained a Masters Degree in Mechanical Engineering from The City University, London in 1987 and has been at Lotus for a total of 17 years. He is a Chartered Member of the Institution of Mechanical Engineers and a Session Organizer for Direct Injection Spark Ignition engines for the Society of Automotive Engineers.

As well as Lotus, he has been employed by Cosworth Racing and Norton Motorcycles.
