MIA Motorsport to Defence Upcoming Events

n.b. **BOLD** denotes an MIA organised/attended event

2010

24th February – Technical Workshop & Equipment Display, Tank Museum, Bovington, Dorset

- This bespoke event provides a unique opportunity to meet key experts and 'end-users' in the MoD.
- The MoD actively seeks innovative ways to maintain the capability of its vehicles by quickly identifying problems and solutions - within a time pressured environment; ideal for motorsport businesses.
- Please visit www.the-mia.com/Events-Diary for more information

25th February – Capability Delivery – Working Effectively with Industry, a DE&S Conference & Exhibition, Bristol

- This conference will provide a timely opportunity for both current and potential suppliers to be kept informed about the latest initiatives being deployed, as well providing direct interaction with key personnel from within the MOD and industry.
- During this informative programme of presentations, informal talks and an exhibition, you can find out where the future lies for defence procurement, giving your business key intelligence in a varied and valuable marketplace.
