

**Celebrate *Race Engine Technology's* 5th birthday
by enjoying further savings on all our technical journals**

Race Engine Technology, launched back in the Summer of 2003, celebrates 5 years of providing the world's racing powertrain community with leading edge technical content. As part of our festivities, we're delighted to be able to offer all new and returning customers the choice of a free gift!

Take advantage of our special offers on 1 or 2 year subscriptions to the magazine and choose one of the following presents with our compliments.

- 1)** For a free copy of *Cup Race Technology* use the discount code **BIRTHDAYCUP**
- 2)** For a free copy of *F1 Race Technology Volume 1* use the discount code **BIRTHDAYF1**
- 3)** For a free copy of *24 Hour Race Technology Volume 1* use the discount code **BIRTHDAY24**
- 4)** For a further 15% off the special RET subscription offer prices use the discount code **BIRTHDAY15**

Just visit www.highpowermedia.com, add your RET subscription into the cart and enter one of the 4 discount codes in the check-out section to receive your free gift.

This offer won't be repeated before our 10th birthday in 2013, so please take advantage now before our 5th anniversary issue publishes on the 7th August.

Kind regards,
Chris Perry
