A reminder on Insurance for Trade Missions

Please be aware that UKTI (BERR as the contracting authority) expects its contractors [MIA] to consider and advise those participating in a UKTI mission, to organise suitable and adequate travel insurance. UKTI will not accept any liability outside of its contractual and statutory duties. The contractor [MIA] should make those travelling with the mission aware of the need to consider their insurance needs, including cover for any loss or damage to a person, property or earnings. The missioners should also ensure their insurance covers them for travel on work purposes and the relevant time period. The standard terms and conditions in UKTI contracts cover this issue and contractors are advised to read these again if appropriate refer to standard BERR contract terms and conditions clause 18."
