

UKTI Inward Mission Programme to Autosport International 2009

NOMINATION FORM

The theme for this 2009 Inward Mission will be “**Energy Efficiency in High Performance Engineering and Motorsport**” and, as in past years, the MIA are working with UKTI on this.

UKTI plan to support a small targeted group of specifiers from advanced engineering to participate in a series of initiatives around Autosport International 2009, in Birmingham from the 5th of January. Although based around this international motorsport exhibition, invitees will not be restricted to people involved exclusively in the motorsport sector. The MIA are linking to with the Manufacturing Technology Association (MTA), the Society of Motor Manufacturers & Traders (SMMT) and the Society of British Aerospace Companies (SBAC) to deliver a cross-sector Inward Mission.

You are invited to nominate participants in this initiative, but please note that numbers of supported visitors will be restricted. Successful participation will be based on the best nominations as agreed by a panel of representatives from business and UKTI.

Any individuals interested in participating in some or all of this mission programme, at their own cost, would be welcome, as would any who can be funded by Post.

Please complete all details requested and return,
by e-mail to alicia.warden@the-mia.com
or fax to , +44 (0) 2476 692601
by 18th September latest.
